CALL FOR PAPERS

CONFERENCE ON

DISTRIBUTED COMPUTING AND CYBER-PHYSICAL SYSTEMS (DC-CPS)

DC-CPS

SCOPE

Widespread computing application domains significantly impact the progress of embedded systems and their application in technical systems, in terms of methodologies and design paradigms, supporting tools, and resulting technologies. MIPRO DC-CPS Conference aims to proclaim knowledge and share new ideas among the researchers and engineers to share research experiences and industrial practices.

TOPICS

Topics of interest include, but are not limited to:

- Distributed Architecture and Protocols
- Distributed Algorithms and Data
- Mobile and Web Information Systems
- High Performance Computing
- Cloud, Edge, Fog, and Dew Computing
- Data Centers and Data Center Management
- Internet of Things
- Sensor Networks
- Autonomous Systems
- Drones and Drone-related Information Systems
- Control and Automation
- Embedded Systems and Applications
- Dependability, Adaptability, and Scalability

The official language of the conference is English, except for the special Croatian Section.

Please forward to your colleagues

DC-CPS

Submit your paper for the conference DC-CPS which will be held at the 48th ICT and Electronics Convention MIPRO 2025.

ABOUT LOCATION

Opatija is the leading seaside resort of the Eastern Adriatic and one of the most famous tourist destinations on the Mediterranean. With its aristocratic architecture and style, Opatija has been attracting artists, kings, politicians, scientists, sportsmen, as well as business people, bankers and managers for more than 180 years.

The tourist offer in Opatija includes a vast number of hotels, excellent restaurants, entertainment venues, art festivals, superb modern and classical music concerts, beaches and swimming pools – this city satisfies all wishes and demands.

Opatija, the Queen of the Adriatic, is also one of the most prominent congress cities in the Mediterranean, particularly important for its ICT conventions, one of which is MIPRO, which has been held in Opatija since 1979, and attracts more than a thousand participants from over forty countries. These conventions promote Opatija as one of the most desirable technological, business, educational and scientific centers in South-eastern Europe and the European Union in general.

For more details, please visit www.opatija.hr and visitopatija.com.
